Dear NOC Selection Panel

LETTER OF REFERENCE FOR MR B M KEERTHI CHANDRA

It is my pleasure to write this recommendation letter for Mr B M Keerthi Chandra, or KC as those who are acquainted with him know him, for his application for the NUS Overseas Colleges (NOC). I had the privilege of having KC in one of the core programmes of Ridgeview Residential College (RVRC), ES1601 *Professional and Academic Communication*, in Semester 2 AY2016/2017.

In the module that I taught, KC was one of the most active participants in the class. He shared his ideas and perspectives confidently and persuasively. In addition, in articulating these issues, he showed critical thoughts in analyzing and discussing them. In presenting opposing viewpoints, he addressed his peers in a respectful manner namely recognizing their opinions while putting forth his comments. His maturity in thoughts and evidence of the preparation and effort can be seen from his assignments and reflective pieces.

On an interpersonal level, I observed that KC connected well with his peers. He displayed good interpersonal skills and team spirit. His approachable and positive demeanor seemed to have a positive influence on his peers.

Although I have only had KC for one semester in my class, he has nonetheless impressed me with his drive, maturity in thoughts, and enthusiasm for learning. He was (and I understand has been) engaged in a number of out-of-classroom activities. Despite his hectic schedule, KC seemed to be able to manage his time well and submit well thought through assignments on time.

I am confident that given the opportunity, KC will do well in the NOC. I am therefore pleased to support him in his application.

Thank you.

Sincerely

Kooi Cheng
